PICK UP / DROP OFF.

All Rentals will be available for pickup at our KTM New Zealand Head Office in Auckland on **Tuesday, November 29th 2016**. Riders will need to arrange transport to this location, with their belongings.

Personal effects (large suitcases or gear bags) that you have used to transport your gear can be stored at KTM NZ head office for the duration of your rental, however this is at your own risk.

You will be required to carry your own luggage to the start of the Rallye at Papamoa Beach, for registration and sign on, which takes place after 2.00pm on Wednesday November 30th 2016.

Rental bikes are required to be returned on **Tuesday, December 6th 2016**, back at KTM New Zealand Head Office in Auckland, unless otherwise arrange (i.e. additional rental days pre-arranged).

TYRES.

The KTM Rental Bikes will be fitted with a new set of knobby tyres and this is included in the rental fee. If you think that you will require additional tyres, then these can be organized through the Tyre Support service offered at Taupo on Day 3, at additional cost to you. Once you registered for the Rallye, this information will be sent to you in the Registered Rider Dossier.

INSURANCE EXCESS.

A security bond will be charged for each rental of \$2500. Total excess applicable to the rental bike is \$5000. Please note the insurance excess is not reducible for this event. Please see our terms and conditions of rental for any additional information.

RIDING GEAR.

You will be required to bring all your own riding gear. Suitable adventure gear is required for this event, which is outlined fully in our Rental Terms and Conditions.

GPS.

GPS units are not available as part of the rental package. GPS brackets can be rented for an additional cost if required. This does not include the cradle bracket, so you will need to bring that with your GPS unit if you wish to mount it on your rental bike.

LUGGAGE.

We recommend taking your belongings in something like the KTM 38L Roll Bag. These bags are waterproof, flexible in size and can be easily carried on the standard carrier plate on the back of the 1190 Adventure and 1190 Adventure R. While riding in the Rallye, a luggage truck will carry your gear during the day.

For odds and ends, spare parts, spare tubes and tools that you wish to carry with you during the day, we suggest a KTM Tank Bag (18L) and the KTM Universal 5L Rear Bag. These can be purchased from KTM NZ and be fitted to your Rental, ready for when you arrive. You can then take them home with you. These items are available at the time of booking under Optional Extras.

Part # 601.12.078.000

If you are travelling Internationally, you are welcome to store any excess luggage that you do not require for the Rallye at our KTM New Zealand Head Office when you pick up your KTM rental.
